About our company:

Headquartered in Phoenix, Arizona, Miller Lighting Products is a leading manufacturer and distributor of a full-range of traditional and energy-saving commercial lighting products. Founded in 1975, we have 33 years of lighting industry experience. Miller is a family-owned business with a team that is passionately dedicated to help you choose the most efficient lighting solution for any commercial application, saving you money, energy and time. Our expanded capabilities include design, testing and manufacturing in the US and overseas. We have most recently developed Miller Eco Lighting – our energy-efficient products – that include world-class lighting products and consultative services.

Miller Lighting Products™ provides you the latest generation bulbs and lighting parts. Our extensive lighting experience and rigorous testing ensures that our products work for your specific applications. We outperform your expectations because we conduct thorough research and work with you to select exactly the right lighting products for your needs.

Miller Induction Bulbs™ and Miller LED Bulbs™ save you 50-90% on lighting costs. Miller Induction Bulbs create unusually high "CRI", which makes colors look brighter, whiter, more vibrant and more attractive in a variety of applications. Our bulbs are longer-lasting – rated to 100,000 hours – which is over 11 years of continuous "on" service. They are well-suited for a wide variety of applications, especially retrofitting parking garages, car lots, hotels, retail, offices, factories, warehouses, parks and municipal buildings. Miller LED Bulbs are longest-lasting and best suited for specialty applications such as interior and exterior spot accent lighting.

Miller LED Bulbs are longest lasting and best suited for specialty applications such as interior and exterior spot accent lighting. Miller LED Bulbs are shown in the www.millerlightingproducts.com website.

Thank you for taking the time to review our new Induction Lamp Catalog. Please feel free to contact us at (800) 445-6611 or www.millerlightingproducts.com
