

Fluorescent Office fixture retrofit Kits

2' x 4' and 2' x 2' Troffer retrofit kits

Energy Savings Products

Troffer retrofit for 40%-50% in Energy Savings

Retail Stores - Offices - Schools - Shops

The Troffer retrofit kit typically reduces energy costs by 40% - 50% while maintaining existing light levels. When paired with qualifying lamps and ballasts, this retrofit could qualify for rebates as well.

This Troffer Retrofit kit provides the ideal way to upgrade existing T12 systems to high performance T8 energy efficient fixtures utilizing existing 2' x 2' and 2' x 4' fixture housings.

MTRS2217WH

2' x 2' Kit
